To the Graduating Class of 1963:

On behalf of the Board of Education I extend heartiest congratulations for this graduation achievement and sincere wishes for the attainment of your future goals. Take with you fond memories, for in your future endeavors you will experience nothing quite as enjoyable as these past school years.

Sincerely,

John Poffenberger, Pres.
 Board of Education

On June 4th the class of 1963 will be graduated from the Halifax Area Joint School. You have reached one of your greatest achievements in life.

I wish to congratulate each one of you for your fine accomplishments. As you go out into the world, you undoubtedly have fond memories of the twelve years spent in school. But, any regrets you may have in leaving will soon disappear as you rise to bigger challenges.

It has been a pleasure to work with you. I will always have fond memories of you -- the class of 1963.

Marlin E. Rettinger
Supervising Principal

Well done, class of 1963. You've done it; you've finally graduated. Four years ago time seemed to be standing still; but now it is rushing past like the wind; and the older you become, the faster time passes.

We, the faculty, have tried to prepare you for the part you must now play in the drama of life. Education is a soul enriching process which begins at birth and ends only with death. Continue to search for knowledge, wisdom, culture, and better character.

We wish you "loads" of success in your post high school endeavors; and trust that you will live a life that will be a credit to your community, your school, and your parents.

Good luck, and may God bless you.

The year '63 brought many changes in the "HAL WAYNE SON." The use of more pages and more pictures is the most noticeable change. Among the more important features is the use of "silhouette" division pages. These along with the cover have given this year's annual a much more enchanting and desirable appearance.

The 1963 "HAL WAYNE SON" was published by the American Yearbook Company and the photography was done by Sterling Studios of Harrisburg.

The annual staff has been working very hard along with the Co-editor, Mary Hampton; Business Manager, Richard Shultz; and Editor, Carolyn Kissinger.
